- Organization
- Classroom Tools
- Tools for Collaboration
- Lifestyle

**ORGANIZATION**

# **GOOGLE KEEP**

❖ GSuite app
❖ Allows users to create and share notes, lists, images, voice notes, drawings, and reminders in the form of sticky notes
❖ Collaborators can be added to notes and to do lists
❖ Notes can be copied to Google Docs
❖ Can be used on different devices and syncs automatically
❖ Can access all google accounts and transition between Google Keep notes easily

# **YouTube**

- ❖ Free video sharing website
- ❖ Can create youtube channels and playlists
- ❖ Use playlists to organize videos for leadership, curriculum, or student lessons
- ❖ Share playlists
- ❖ Ability to subscribe to favorite YouTube channels

# **ONE TAB**

❖ Allows users to convert all open tabs in Google Chrome into a list to store to reduce clutter

❖ Saves memory by reducing the amount of tabs open

❖ Easy access to sites without bookmarking

❖ Easily send tabs to OneTab

padlet

We give you a blank wall.
You put anything you want on it, anywhere.
Simple, yet powerful.

**CLASSROOM TOOLS**

TodaysMeet

Kahoot!

socrative
AS EASY AS RAISING YOUR HAND

TED

**TodaysMeet**

# __Today's Meet__

❖ Personal chat room

❖ Users can post 140 characters

❖ Can create a online discussion in your classroom

❖ Students can post questions during movies, lectures, or presentations, events, field trips, etc.

❖ Conduct discussions beyond the classroom walls with other classrooms, teachers, experts in the field

❖ Can be used for committee meetings

# **Google Classroom**

- ❖ Can create a virtual learning environment
- ❖ Organizes class content: syllabus, course materials (articles, videos, etc.), and assignments
- ❖ Teachers can create, distribute, and grade assignments digitally
- ❖ Students can complete assignments and share completed work with teachers for feedback
- ❖ All class materials are automatically filed in Google Drive in folders
- ❖ Platform can be used for classrooms, after-school clubs, committee meetings, faculty meetings, and more
- ❖ Works on any device

# **VideoNot.es**

- ❖ Free tool for taking notes while watching videos
- ❖ Load a video on the left side of the screen and provides a notepad on the right side to take notes.
- ❖ Integrates with your Google Drive
- ❖ User can save notes in Drive and share notes with others.

# **Padlet**

*We give you a blank wall.*
*You put anything you want on it, anywhere.*
*Simple, yet powerful.*

**Build a wall**

TOTAL TEACHER PROJECT

❖ Tool for brainstorming, organizing thoughts, and collaborating

❖ Easy way to publish content on the web

❖ Can add audio, video, pictures, documents

❖ Can access Padlet through the website or download the app

❖ Can be private or public

# **Powtoons**

❖ Design your own animated videos and presentations
❖ Built in storyboard builder
❖ Ready-made templates

# TED

- ❖ A private nonprofit foundation (Sapling Foundation)
- ❖ Goal: Foster the spread of great ideas
- ❖ Provides a platform for people to share and gain a deeper understanding of an abundance of topics
- ❖ TED-Ed

# **Socrative**

❖ Free, online tool for creating assessments in the form of quizzes, quick questions, space race, and exit tickets.

❖ Students need laptops or mobile device with Internet connection for student responses.

❖ Generates reports to represent students' responses

❖ Automatically grades quizzes

# **KAHOOT**

❖ Gamed-based, online student response system

❖ Allows you to create quizzes, discussions, and surveys

❖ Provides Kahoots on a variety of subjects for use or editing

❖ Need a projection device, laptop or iPad to display questions. Students or participants need a laptop or mobile device with Internet connection for responses

TOOLS FOR COLLABORATION

# **Google Community**

❖ Connect with others with shared interests

❖ Join a Community: View, share, and comment on community posts

❖ Create a Community: moderate posts and comments, add people as moderators and owners, remove people, revise the Community page view

# **Twitter**

- ❖ Social networking and online news service
- ❖ Can access and follow users with similar interests
- ❖ Share information through post messages "tweets" of 140 characters
- ❖ Can be accessed on any device

# **Lifesum**

- ❖ Personalized health and lifestyle guide
- ❖ Creates a plan based on lifestyle goals and health data
- ❖ Exercise and nutrition tips
- ❖ Provides recipes
- ❖ Tracks progress
- ❖ Invite friends
- ❖ Motivational articles
- ❖ Can connect with Moves, Withings, FitBit, Jawbone, Endomondo and RunKeeper

# **RunKeeper**

- ❖ Track workouts
- ❖ Set goals and runkeeper will provide motivation
- ❖ Plan workouts with reminders
- ❖ Share achievements with friends to motivate each other
- ❖ Provides progress information
- ❖ Playlists connect to provide motivational music

# BONUS APPS

# **Journi**

- ❖ Allows users to create digital stories
- ❖ Save and share travel memories
- ❖ Provides maps, stamps
- ❖ Turn digital "moments" into photobooks

![Notebook logo] Notebook

# **NOTEBOOK**

- ❖ Provides the ability to create notes in the form of notecards.
- ❖ Create text, checklist, photo, or audio cards
- ❖ Syncs between devices
- ❖ "Web Clipper" clips text, images, and articles from the web to save to your notebook

# Screencastify

- ❖ Chrome extension
- ❖ Record desktop, browser tab, or webcam
- ❖ Narrate with microphone's audio
- ❖ Can embed the webcam into the screencast
- ❖ Ability to annotate screen with a pen tool or focus a spotlight on your mouse
- ❖ Save to Google Drive
- ❖ Can publish to YouTube

# Pocket

- ❖ App and Chrome extension designed to save articles, videos, information from the web to access later.
- ❖ Content automatically syncs to your phone, tablet, or computer to view anytime with or without Internet connection.
- ❖ Access to trending stories on a variety of topics
